

# 11<sup>th</sup> International technology transfer conference – 11.ITTC

## CONFERENCE PROGRAMME

8 – 12 October 2018

Date of workshop (tbc)

**Workshops on *How to prepare a pitch***

Non public part of the event!

Location: tbc

8 to 12 October 2018

**R2B meetings between researchers and companies**

Location (tbc): lobby of the main building, physics seminar room and the main conference room of the Jožef Stefan Institute

8 October at 11:00: **Opening of R2B meetings. Short presentation of KET4Clean production Micro grants (50.000 euro Grants for SME to buy services from EU Public research centers). Robert Blatnik, Center for technology transfer and innovation, Jožef Stefan Institute (tbc)**

8 – 10 October: **International brokerage event – R2B meetings:** available at: <https://r2bittc2018.b2match.io/>

A matchmaking event is a quick and easy way to meet potential cooperation partners. Researchers meet the entrepreneurs and discuss their needs and offers. Each meeting lasts up to 30 minutes. Last years' brokerage event attracted over 60 participants from nine countries. The majority of participants are active in the field of ICT, physics, materials, environment, robotics, biotechnology, manufacturing etc.

Operacijo delno financira Evropska unija iz Evropskega sklada za regionalni razvoj ter Ministrstvo za izobraževanje, znanost in šport, Republika Slovenija. Operacija se izvaja v okviru Operativnega programa za izvajanje evropske kohezijske politike v obdobju 2014-2020, prednostne osi 1 Krepitev raziskav, tehnološkega razvoja in inovacij.

V partnerstvu:

Univerza v Ljubljani

**11 October 2018 (tbc)**

*Location: Main lecture room, Jožef Stefan Institute*

8:30-9:00 **Registration**

9:15-9:30 **Opening**

**Live streaming:** <http://tv.ijs.si>

Honourable speaker:

(tbc, name), Minister of economic development and economy of Republic of Slovenia

## Session I: Introductory Speech

9:30 – 10:00

**Key Enabling Technologies (KETs) as a basis for innovation. How can KET Technology Centers (KET TCs) help modernising Europe's industrial base, to shift to a greener economy, and drive the development of entirely new industries?**

**How can KET TCs help bridge the European 'Valley of Death'?**

**How to increase KETs-related manufacturing in the EU and how KET TCs and industry can collaborate better to increase the exploitation of the patents inside EU?**

**Live streaming:** <http://tv.ijs.si>

(tbc, name), position, organization

10:00-10:30 **Networking Break & Coffee**

**Paralel session: non public part of the event:**

Reception of the members of Friends of JSI (start-up mentors) at the director of Jozef Stefan Institute, Prof. Dr. Jadran Lenarčič.

**Location: JSI Directors office.**
