INSTRUCTIONS FOR PRESENTERS

Day 1 (Ljubljana, 24th October):

THE VENUE: Jožef Stefan Institute, <http://www.ijs.si/>, Jamova cesta 39, Ljubljana

WIRELESS CONNECTION: available in the main conference hall (network name:guest, P: dearguest).

Sections 1 - 4: responsible person Robert Blatnik, robert.blatnik@ijs.si, +386 1 4773269 or +386 1 4773131.

Length of contributions: 15 minutes for the presentation, 5 minutes for the questions, total 20 minutes. Please consider the timeline at <http://tehnologije.ijs.si/4ittc/program.html>

Purpose of the contributions:

1) To present yourself and your institution very briefly – not more than 1-2 slides.

2) The main purpose is to outline:

- how technology transfer is done at your institution/area,
- what are the main principles and how did you realize they should be used,
- who supports your efforts (or if you are not supported, why)
- who benefits (why and how this could be improved)
- why does tech-transfer works like this for you and if something needs to be improved – why and how to improve it.

3) Concrete cases are of interest, but should not take more than 1/3 of time.

Listeners:

The conference targets researchers of public research organizations (PROs) in Europe with the aim of increasing awareness and knowledge about technology transfer processes and their necessity. It is also targeted at enterprises, seeking collaboration with public research organizations.

Other target audience: policy making entities, private investors, innovators, young entrepreneurs, students with ambitions in entrepreneurship.

INSTRUCTIONS FOR THE WORKSHOP ON SPIN-OFFING, Section 4, 24th of October, JSI 15:00 - 17:30

At the start of the workshop the commission members will have 5 min each for the introductions.

Please send the presentations (1 slide: basic info about you and your organization) to be uploaded in advance.
