

Istanbul Project Academy

HORIZON EUROPE HEALTH CLUSTER

INTERNATIONAL VIRTUAL BROKERAGE EVENT

16th & 17th March 2023, 09:00-17:00 CET

Istanbul Project Academy is organizing a **Virtual Brokerage Event** targeting establishing R&D partnerships in the scope of **Horizon Europe Cluster 1**.

On the opening day of the event a **pitching session** and **bilateral meetings session will be organized**. During the pitching session the participants looking for partners will have an unique opportunity to present their organizations and ideas. (10 minutes presentation per entity or proposal idea).

Company presentations should include information on the roles that can be taken in consortia related to company competencies, EU projects involved (if any), targeted calls (title and code), and the type of consortium sought.

PROGRAM (16th March 2023)

09:00-09:30 Opening Session

09:30-13:30 Pitching Session

13:30-17.00 Bilateral Meetings

PROGRAM (17th March 2023)

09:00-17.00 Bilateral Meetings

The platform will remain open until 1 May 2023 and the participants will be getting use of it till that time.

Please register for the event via the link below, create your profile on the platform and send meeting requests to the other participants.
