Email: [erika.giorgini@univpm.it](mailto:erika.giorgini@univpm.it)

Prof. Erika Giorgini teaches a class on Intellectual Property Law, focusing in particular on: the general theory of goods; the "new assets" and the necessary overcoming of old civil law dogmas; the firm's intangibles as assets; information as a good; the patrimonial and non-patrimonial information data in European law, in national law and in the Courts' dialogue; company trade secret; the industrial property code: structure and purposes; distinctive signs of the company; intellectual creations with a technological content; patent and its protection; designs and models; unfair competition and advertising; market legal framework and competition protection; private and public enforcement for competition protection and related consumers' rights; antitrust damage; copyright; online copyright; judicial protection of intellectual property rights.

She is also a **member of the Patents Committee** at Università Politecnica delle Marche.

She contributed to an Horizon Europe funded projects recently, under Pillar II.

Furthermore, her publications deal with the themes of data governance, right of property compliance with the general principles of the legal system, personal data processing.

#### 4. ORGANISATION DETAILS

**Organisation: Università Politecnica delle Marche**

**Address: Piazza Roma 22, Ancona, 60121, Italy**

**Organisation web site : <https://www.univpm.it/Entra/>**

**Università Politecnica delle Marche (UNIVPM)** is a public technical-scientific university with 5 study and research areas: Agriculture, Economics, Engineering, Medicine & Surgery, Sciences. Approximately, its administrative staff counts 600 units while professors and researchers amount to 624 plus 250 postdocs. It is organized in 5 faculties and 12 departments, 5 of which have been awarded the National Seal of Excellence by the Italian Ministry of Higher Education in the last few years (Dipartimenti d'Eccellenza).

Our **Technology Transfer Office** is ranking is very high on the Evaluation of the Quality of Research; it is awarded at the third position of the top Italian Public Universities according to ANVUR (the National Agency for the Evaluation of universities and Research Institutes), by the Group of Interdisciplinary Evaluation Experts Impact/Third Mission (GEV TM).

In the current European Research and Innovation Framework, **Horizon Europe**, UNIVPM already has 34 funded projects with a total budget of more than € 195 m. UNIVPM also joins many European partnerships and relies on a well-structured International Projects' team in Italy and at the Bruxelles office to support professors and researchers in finding research cooperation and mobility opportunities and managing the awarded funds in highly competitive global environments. UNIVPM has already got two **WIDERA funded projects** in the last two years.

**The offer is valid until: Call deadline**
