

Vilnius Space Days 2024

15th May, Radisson Blu Hotel, Vilnius, Lithuania

Vilnius Space Days is an event designed to showcase the Lithuanian space ecosystem and its potential.

Take part and discover exceptional opportunities in the space industry, discuss key space economy topics, and meet your potential partners.

What to expect?

- Policy sessions with speakers from OHB, SAT4SPACE and leading Lithuanian space entities
- B2B meetings with key representatives of the space industry
- Lithuanian-German Space Industry Business Forum
