*Roger Horam is a seasoned expert in European funding with a wealth of experience in helping organisations unlock the potential of EU-funded projects. Over the years, he has honed his skills in building high-impact consortia, writing successful proposals, and navigating the complex landscape of European funding opportunities. Roger's deep understanding of the evaluation process, combined with his hands-on approach to consortium-building, makes him an invaluable guide for those looking to break into or excel in the EU project space. His passion for empowering organisations to access funding and his practical, results-oriented approach ensure that participants will leave the workshop equipped with the insights and tools they need to succeed.

Event is organized within 1.1.1.5. project "Support for Latvia's participation in international research and innovation programs".
