At the networking event, speakers will present the upcoming calls in digital, industry and space and give tips on how to prepare the best possible project proposal. Participants can also look forward to presentations of successful projects. The event will offer opportunities for interesting dialogues with NCP representatives and provide valuable networking opportunities.

**Looking forward to meet you!**

*This event is organized within the framework of the project KR PAN – Fostering research support and activities to improve the performance on European research projects, co-financed by the Republic of Slovenia, the Ministry of Higher Education, Science, and Innovation, and the European Union – NextGenerationEU*
